

Every Living Thing

A Song about Interdependence

D A G A D

1. Red - tailed Hawks like to eat Shrew - Moles when they can.
 2. Fox - es eat rab - bits and oth - er her - bi - vores,
 3. Moun - tain Lions hunt Rac - coons and seals, so they say,

D G Em G A

4

Shrew - Moles eat earth - worms, it's on their men - u plan,
 Rab - bits eat grass - es and fruits and lots of forbs,
 But when they die, then it's their turn to be prey,

D G A D

7

Earth - worms eat com - post, and have since time be - gan.
 Plants make their own food with sun, soil, wat - er, air, and chlor - o - phyll.
 Vul - tures and mi - crobes eat dead things, help - ing them de - cay.

D G D

10

Ev - 'ry liv - ing thing needs an - oth - er liv - ing thing to sur - vive,

Bm G A

13

Ev - 'ry liv - ing thing needs an - oth - er liv - ing thing to sur - vive,

D G A D

16

Liv - ing things de - pend on oth - er liv - ing things to stay a - live.
